Catylist Research

Fully Researched Commercial Real Estate Technology

Catylist Research is the industry's most robust commercial listings system, offering a database of sale/lease availabilities and comps with a suite of powerful tools — with the added benefit of national exposure for your listings.
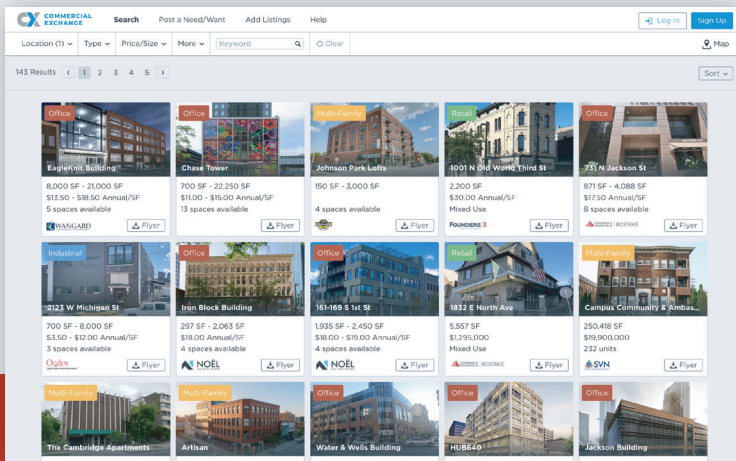

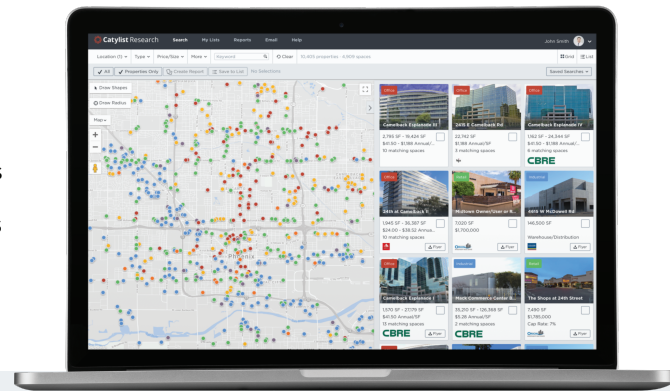

A Suite of Commercial Data at Your Fingertips

- Sales Comparable
- Lease Transactions
- Retail Tenant Locations
- Property Surveys
- Ownership Information
- Block-level Demographics
- Rent Trends
- Lease Rates

Phoenix - Scottsdale

- Tracking over 52,000 commercial properties throughout the Greater Phoenix area.
- Over 10,000 active listings in Phoenix-Scottsdale.

All Catylist Member Listings Elevated to National Exposure on CommercialExchange.com
